Parking on school property is a privilege which can be revoked at any time. Students who are provided the opportunity to ride school transportation are encouraged to do so. Students and their parents assume full responsibility for any transportation to and from school not officially provided by the school.

The following rules shall apply:

- Students under age eighteen (18) must have written parental permission prior to driving to school. A parent signed letter needs to be returned to school and will be kept in the student's file.
- Students shall complete the Parking Permit Application.
- Parking lot speed is 5 MPH.
- Students will park in designated areas only. Student parking in the library lot is not permitted.
- The student must obtain a parking permit from the high school office.
- When the school provides transportation, students shall not drive to school sponsored activities
 - Unless written permission is granted by their parents and approved by the principal.
 - Approved student drivers may not transport other students to a school-sponsored activity without written permission from the parents of passenger students and approval by the principal.
- Excessive tardiness, truancy, skipping class and other infractions are grounds for revoking a student's driving privilege. This will require the student to ride the school bus or to arrange alternate transportation.

Failure to comply with these rules will result in loss of privileges and/or disciplinary actions for the student.
