Reference Sheet:

- I require a clear digital reference sheet for every commission.
- I make an exception for reference sheet commissions. Reference pictures, digital or traditional are preferred, but not required.
- I will NOT work off of a description, unless it is a reference sheet commission or a custom.

WIP's:

- I always provide WIP's, as I want you to be happy with your commission.
- I will make large sketch changes (pose/idea) up to 3 times. A fee of \$5 will be charged for any changes after that.
- Once I have reached the lining stage, I will NOT change pose, but I will make minor changes that did not translate well in the sketch stage.
- I will get a final approval of the lines before moving onto coloring. Once you give me that approval, I WILL NOT change any lines.
- In the coloring stage, I will edit colors and markings as many times as needed.
- Once the final piece is finished and approved, I will NOT change ANYTHING. I will provide you with a dropbox link or telegram file with your finished piece.

Credit:

- I encourage you to post and share your finished piece!
- Please credit my toyhouse.se or [Twitter](https://twitter.com/bojanglecollie) when posting any art by me.
- All finished pieces will have my watermark on them, and I will not provide an unwatermarked piece.
- I have the right to post the finished art into my gallery. I will credit you in return for ownership of the character(s).
- EFFECTIVE IMMEDIATELY FOR ALL OLD AND NEW COMMISSIONERS: DO NOT MAKE EDITS TO MY ARTWORK. I will do edits if needed for a fee. This may be negotiable depending on the extent of edits. Please contact me with further questions. (Added 01/17/2023, never included as I did not feel like this needed to be said, but apparently I was wrong.)

Time Frame and deadlines:

- Please understand that I am a person and I have a life.
- I am not a full time artist, but I do work a full time job. I do not always want to work on art when I get home.

- I have animals to take care of, and I suffer from depression. These may affect the completion time.
- If you have a deadline, please tell me. Depending on the deadline, this may cost an extra fee. Please give me at least a week in advance.
- I will not give you a completion date. It will typically be done within a month's time.
- You may ask for updates, but please do not bombard me with messages about the progress of your commission. As stated above, I will provide wips.

Queue:

- My queue is posted publicly on my [Trello](#), and is updated as I work. Please refer to the Trello to see your place in my queue
- I try to work in order, but sometimes I will finish small commissions in-between big commissions.

- All payment must be in USD.
- I offer a pay first system, once your commission is accepted, I will provide you with a link to send your payment.
- Payment types I accept are PayPal, Square, and Cashapp.
- I only accept payment plans on orders over \$150, and your commission will NOT be started until full payment is received.

Extra fees:
