Class Rules

Biology, AP Biology, Anatomy & Physiology

1. 🕐 Be on time! Tardies will be marked if you are not in your seat when the bell rings.
2. Be prepared – bring your notebooks, books and something to write with everyday.
3. Be courteous – treat others as you would like to be treated, do not distract others.
4. Stay focused and engaged during class.
5. Be a team player. Many projects will be completed in groups.

Technology Policies

- Your chrome book will be used for some assignments, but you will leave it powered off until instructed to open it.
- Cell phones should not be used during the class period without permission.
- Earbuds should not be worn during class (even if powered off).

Consequences

1. Warning or conference after class.
2. If you are told to put away electronic devices (or headphones) a **referral** may be issued.
3. Disruptions will result in removal from class and/or detained after class, with a referral in skyward.

Passes - Asking for passes should not cause a disruption in class. Bathroom and locker passes should be kept to a minimum so you don't miss important class work.

Grading   A = 90-100% | B = 80-89% | C = 70-79% | D = 60 -69%

You will accumulate points throughout the semester. Your grade is based on your overall percentage of points.

Bio1 and 1A use weighted grades

*Please check Skyward frequently for updates on your grades or any missing work. Your official grade is displayed in Skyward (not Google classroom)

Exams - Each chapter or section will have a quiz or test that will assess your knowledge and understanding. Exams are generally worth more points than daily assignments.

Absences - Success in class depends on consistent attendance.

Academic Integrity - Plagiarism, cheating or other forms of academic dishonesty will not be tolerated. Collaboration and cooperation are not the same as cheating or plagiarism. Cheating will result in loss of credit and disciplinary action.
