

Schoology Parent Access Codes

The Grafton Public Schools is pleased to be providing parent accounts for Schoology, the District's learning management system (LMS) for students in grades 6-12. Schoology will allow you to view your student's course material and calendar through the lens of a "parent account".

PowerSchool will continue to be the District's gradebook of record for report cards and transcripts.

Directions for creating a Schoology Parent Account are posted annually for each student and are accessible in the Powerschool Parent Portal. Please log into the PowerSchool Parent Portal and click on the BrightArrow Messages link to view the Schoology Parent Access Codes letter/file which contains the student specific information needed to create a parent account in Schoology or add a student/child to an existing account.

If you don't already have a PowerSchool Parent Portal account, [click here](#) for more information.

As always, please email techsupport@grafton.k12.ma.us with any support needs or questions.
