

St. Catharine of Siena School After School Enrichment Opportunities

Please see below for the various offerings of after school programs for the 25-26 school year. Please review the meeting days and times as well as the capacity for each club. If you go to register and that form is no longer accepting responses, that means that club has already reached capacity for the year. All programs are free, and all dismiss at 3:30pm. If students do not have a ride at school by 3:30pm, they will be sent to latch key which incurs a charge of \$10 per kid per day. There are some conflicts, so please review carefully.

Club Name: Book Club

Grades: 3-5

Meeting Dates: 3rd Wednesday of each month

First Meeting:
