LBank Global Angel Recruitment Program - Thousand $USDT Incentives, Invite Friends and Have a Win-Win

Activity goal
1. User growth: Through the angel invitation system, quickly attract new users to register and complete transactions.
2. Activating the trading ecosystem: Guide new users to participate in spot and contract transactions, increasing platform transaction volume and fee income.
3. Angel network construction: Screen and motivate high-value “angels” (promoters) to form a driving force for sustainable growth.

Activity time
- Period: Starting on 26th, Dec 2025, lasting for one month
Warm up: 26th Dec. – 1st Jan.
Competition: 2nd Jan. – 30th Jan.
- Result announcement and reward distribution: within 7 working days after the event ends

Angel qualifications: All working global angels of LBank can apply to become "Growth Angels" and obtain exclusive invitation links.

Evaluation method:
1. Number of new user registrations (50%)

New user definition:
- Complete registration via Angel invitation Link.
- Generate at least one spot or contract transaction (including buy/sell) during the event period, and a handling fee will be incurred.

2. Handling fee (30%)
Total handling fees generated through new user transactions (contract/spot, buy/sell) during the event。

3. Number of EFTTC new users (20%)
EFTTC definition:
- >=$100 deposit outside from the LBank platform
- Transfer any amount of funds from spot wallet to future wallet
- Open future position with >=$10 margin

Total score ranking after weighting various data during the event
1st $500
2nd $300
3rd $120
4th $40
5th $40

Top10 will be Growth Angels who can receive higher payment and higher rebate in 2026.
