Pomegranate Oil

Pomegranate Organic Carrier Oil is cold pressed from the seeds of organically cultivated *Punica granatum*, widely revered as “The Fruit of Life” for its rejuvenating properties. This premium-quality oil preserves the full spectrum of its fatty acids and bioactive compounds, including Punicic Acid (Omega-5), Oleic Acid, Linoleic Acid, and Tocopherol (Vitamin E). These components contribute to its superior emollient performance and oxidative stability in formulations.

From facial serums and body oils to scalp treatments and restorative hair care products, Organic Pomegranate Oil's medium viscosity and absorbent nature deliver a balanced sensory experience and is especially effective in products aimed at dry, sensitive, or mature skin as well as processed hair.

Botanical Name: *Punica granatum*

Plant Part: Seeds

Origin: India

Extraction Method: Cold Pressed

Color/Consistency: Pale to golden yellow; medium viscosity with a soft, oily feel.

Absorption: Quick absorption, leaving a soft finish.

Aromatic Summary: Mild, characteristic scent with subtle Omega-5 fatty acid notes.

BENEFITS

Nutrient-Dense Profile: Exceptionally rich in Punicic Acid (Omega-5), Oleic Acid, Linoleic Acid, and natural Vitamin E, this organic carrier oil supports skin-softening and conditioning benefits.

Versatile Emollient: With its medium absorption rate and slightly oily finish, Pomegranate Organic Oil provides lasting moisture without clogging pores. Its rich, soothing texture is particularly well-suited for massage products, balms, intensive hair treatments, and moisturizing skincare designed for dry or mature skin.

Naturally Beautiful Hair: Along with its ability to support skin health, this organic oil is especially beneficial for hair and scalp due to its ability to improve hydration and texture while protecting strands from environmental stressors.

Certified Organic: Our Pomegranate Organic Oil is QAI Certified and compliant with USDA National Organic Program (NOP) standards. It is free from synthetic additives and pesticides, aligning with the values of clean beauty and sustainable formulation.

DIRECTIONS AND USES

- **Certified Organic Skin Care:** Use Pomegranate Organic Carrier Oil at 1% to 10% in serums, face oils, lotions, and balms as part of a certified organic product line.
- **Hair & Scalp Treatments:** For conditioners, masks, or scalp oils, Organic Pomegranate Oil can be added at 2% to 5% to boost hydration, improve manageability, and soften coarse textures.
- **Massage and Body Care:** With its natural slip and soothing properties, this organic carrier oil is ideal for massage blends and body butters at 10% to 100% of the total formulation.
- **Lip Care & Balms:** Add Pomegranate Organic Oil at 5% to 30% in lip treatments and balm formulations for a rich emollient effect and subtle natural aroma.
