

Directions for PICK-UP

Thank you for helping everyone during the pick up of your child. Here are some guidelines that will help all of us because we are all interested in having a great experience for the camper. Pick up and drop off will occur at the back of the Garnet Valley Middle School at the GVMS Cafeteria entrance. This is between GVMS and GVES.

Please allow for some extra time during pick-up. Patience will be necessary and patience beats frustration and stress every time.

1. Please stay in a single file in the car line. We ask that you not pull up to form a second line because it creates confusion.
2. U turns are not allowed. Please follow the flow of traffic.
3. At the end of the day, campers will be outside on designated spots on the ground near the Cafeteria entrance to keep socially distant.
4. When your car is in front of the cafeteria entrance, a counselor will help walk your camper to your car.
5. Please stay in your car to limit exposure unless directed differently.

Thank you again for all you do for your children and for selecting
Garnet Valley Sports Camps this summer.
