

Meeting Minutes 5.2.22

Durham Nockamixon Elementary School PTA

Location: Durham Nockamixon Elementary School, 41 Thomas Free Dr. Kintnersville, PA 18930

Attendance: Amy Stump, Lorrie Campbell, Jami DeLuca, Shannon Staube, Marie Collie, Jill Williams, Anna Sattler, Laura Cantwell

Meeting Called to Order By: Amy Stump, President at 6:32 PM

Reports:

- **Treasurer's Report:** We have \$11,000 in checking, plus we didn't need to dip into savings at all this year.
- **Principal's Report:** We are in week 2 of PSSA's, the students did well. This week is math and science plus make-ups. Thanks to the PTA for snacks. Next year, we won't need water since all the children have refillable water bottles. We are celebrating Teacher Appreciation Week.

Old Business:

- **Sweetheart Dance:** We are only missing the few items on the sign up genius. The decorations and everything else is in place. We will begin decorating at 2:00. DJ and photography are all set up.
- **Field Trips:** Lorrie is coordinating and is also organizing the volunteers.
- **Playground:** Kevin said things are moving forward and it might be good to have facilities ready for late June and we will go from there. We are waiting on final confirmation of corporate donors for the sign.
- **Teacher Appreciation:** Thank you to Jamie Guzzo for organizing. This event will take place on Friday the 13th!
- **Raise Craze Party:** June 7th is the date of this event. We booked the obstacle course and the school will provide stations for the kids to play and celebrate as well. We will also provide popsicles for everyone. The cafeteria will have hot dog day that day as well.
- **4th and 5th Grade Track Meet:** The shirts will be delivered in 2-3 weeks.
- **5th Grade Graduation:** 4th grade moms host for the 5th graders. PTA pays for it, but the moms organize cake, snacks, decorations. We will do balloons inside, and Shannon Straube and Jamie Guzzo will help make a balloon arch for the day.
- **Color Day:** We will provide popsicles for everyone...217 students. No T-shirts this year for color day. We will be looking for teacher feedback on if the kids or families are disappointed in missing out on the T-shirts. If they are, we will consider bringing them back for next year.
- **School Store:** We have a school store this Friday. Depending on what is leftover at the end of this school store, we may consider doing a June school store.
- **Yearbook:** We will only be providing yearbooks to students in 5th grade who have a hardship.
- **Kindergarten Orientation:** This will be happening later in August, however students will be invited May 26th to see parts of the school and do their reading assessments. The PTA will be needed for the August event but not the one in May.

New Business:

- **Budget Approval:** The budget is approved for next year.
- **2022-2023 Officer Approval:** Stacey Finney-President, Jill Williams-Vice President, Jamie DeLuca-Secretary, Lorrie Campbell-Treasurer Voted yes by unanimous vote of a quorum.
