Welcome New Families!

We are happy you are joining our community and look forward to an enriching school year for your students!

Intros
Whether your student is a Senior, Junior, Sophomore, or Freshman, the Campo community is here to help you and your student with any questions or curiosity. I empathize with being 'new' to this area. I grew up in Maryland so I was a K-12 student there. However, I married a local Moragan, so our daughters have been educated here. We actually started our family outside of Moraga and chose to move here because of the strong public schools!

Connecting
I hope to be a helpful contact to you. Campo added a New Families Liaison role a few years ago. .

A few tips for this next week…*When on campus, or when calling the school, start with the attendance office, which is also the information desk. Visitors check in here during the school day, and you call or email our attendance hotline if your student will ever miss school or be late, or leaving early. Your attendance technicians are Sinziana Vera and Stephanie Sliwinski. Look for communications on Canvas the first week of school and throughout the year.*

Stay tuned and check the Campo Parents Club website for updates and make sure to sign up for the CPC Newsletter to keep current on what's happening each week at Campo.

Looking forward to a fantastic school year!

Warmly,
Alicia Rago
Campo New Families Liaison
