Guild of Healthcare Pharmacists

Regional Member(s) for the East Midlands - Expression of Interest

The Guild of Healthcare Pharmacists (GHP) are led by a National Executive Committee made up of members from across the UK, representing regions, as well as a number of executive roles including the President, Vice President, Chair of Practice, Chair of Terms and Conditions, Chair of Education and Training, Chair of Sustainability and the Chair of Equality and Diversity. These colleagues work to represent our members' views at a local and national level, giving up their own time to support important issues affecting our profession. As a committee, we strive to represent the voices and opinions, as well as lived experience of all of our members across the UK. We have had a recent vacancy in our East Midlands Regional Member role and we are keen to appoint an enthusiastic member or members who is /are working in this area who can engage with our members locally.
