Week 4: Chapters 15 to 19

Chapter 15:

1. Brian measures time in two ways. What are they?

Brian measures time by the sun going down and the sun going up and by keeping a mental journal. ✓

2. What drives Brian crazy? Why?

The foolbirds drive Brian crazy because the foolbird exploded. ✓ *And he cannot catch them.*

3. Brian has to learn to look at things differently. How does he now look for foolbirds differently?

Brian looks for foolbirds differently by the way they blended in so perfectly. ✓

4. What does Brian use to kill his first foolbird?

Brian kills a foolbird with the fish spear. ✓

5. What did Brian do with the insides of the bird? Why?

Brian put the insides of the birds down to the water so that the fish would eat the insides. ✓

6. Read to the end of the chapter.

Find a picture of the way Brian cooked the bird. Paste it below.

Take the features off the bird cut its head off take out all the insides cook it and then eat it. ✓

Yum, yum! Would you do this, Eze?

Chapter 16:

1. Read to the bottom of page 122. Describe what has happened in the attack (what, where, how, and then **predict** why)

Brian is attacked by a cow. ✓ Yes - but it is a moose cow - HUGE!

At the water's edge

Which the cow was pushing Brian in the mud and water and his ribs were hurting so much.

Because the cow used its horns to push him and he was seriously injured. ✓

2. What is Brian's worst injury?

Brian's worst injury is the porcupine. What was the worst injury from being attacked by the moose?

3. What are three things that Brian can be grateful for just now?

Brian is grateful that he could walk, that the coals were still glowing and that he had enough wood for two or three day at time. ✓

4. Read to the bottom of page 124. **Predict:** What is making the roar?

I think that the roar is being made by a wolf. ✓ Now that would be scary!

5. After the moose and the tornado, Brian has lost everything and has nothing. But why is it different now?

Even though Brian has lost everything, it is different now because he might be hit but he's not done. ✓ Yes - now he has the experience to survive!

6. Why is the cold snap significant?

The cold snap is significant because he could sleep on the grass so the mosquitoes could not bite him. It means that winter is coming and winter in Cananda is scary cold - even colder than Fiji.

7. Brian can now see part of the plane sticking out of the water. This is going to be significant. **Predict** what Brian is going to do now and why.

I think that Brian is going to look for any supplies in the plane to use. ✓

Chapter 17:

1. Read to the middle of page 132. What does Brian want from the plane? Why?

Brian wants the survival kit from the plane because it could have food, knives and matches. ✓

2. What is Brian's rule for survival?

Brian's rule for survival is first food, then thought, then action. ✓

3. Brian tries to build a raft. What is his main problem? How does he solve it?

Brian has trouble making a raft because the logs are not stable but he solves it by weaving the logs together. ✓

4. What is Brian's next problem? How does he solve it?

Brian's next problem is he needed rope to tie it in place. ✓

He solves it by remembering his anorak and he found the tattered part he used for an arrow pouch. He tore into narrow strips and tied them together to make a rope. ✓

5. Read to the middle of page 137. Write down two ways that Brian has changed.

Brian has changed in these ways he has become more patience. ✓

and he knows where north east west and south are. ✓

6. Read to the end of the chapter. **Predict:** What will Brian do now?

I think that Brian will get the hatchet and make a opening. ✓

Chapter 18:

1. What disaster happens to Brian? What does he do?

This disaster happens to Brian that there is no opening to the plane.

He got the hatchet and was hitting the plane with it because when he pushed the plane the aluminum was very thin. The hatchet fell out of his hands.

2. Why did Brian keep the bits of metal he cut off the plane?

Brian kept the bit of metal because they might be useful later. ✓

3. What makes Brian sick in the water?

Brian is sick because he was in horror of the pilot's skull that the fish have been chewing on. ✓

Even scarier than 'Jaws'.

4. Read to the end of the chapter. How is Brian feeling now?

Brian is feeling tired ✓

And relieved. ✓

Chapter 19:

1. Read to the bottom of page 152. List what **you** think are the six most important items in the survival kit. Give reasons why you think these items are the most important

These are the most important items in the survival kit

1. Sleeping bag with a foam sleeping pad because to keep him warm in the night. ✓

2. because

3. Aluminium cooking set with a spoon, fork and knife because he can heat up things to eat. ✓

4. A water container with matches and two small butane lighters. Because he could make fire easy and if the container got wet the stuff inside would be ok. ✓

5. First aid kit because he could not have pain that bad and help him heal. ✓

6. A fishing kit because he could get more fish to eat quicker. ✓

2. Why doesn't Brian like having the rifle?

Brian does not like having the rifle because it changed him all. ✓ *Yes - it gives him too much power, and he has done everything himself so far.*

3. Why does Brian have a feast?

Brian has a feast because with all the stuff he could live forever. ✓

4. How does the plane know that Brian is there?

The plane knows that Brian is there because of the emergency transmitter. ✓

5. Describe Brian's emotions when the plane lands

When the plane lands, Brian feels happy, shocked and relieved because after 2 months he can finally go home. ✓

6. Why does Brian offer the pilot dinner?

Brian offers the pilot dinner because he just made the feast and they might be hungry. ✓
