Resume Assignment:

Your goal is to get your “Flags” to 0, and attempt getting less than 10 “Improvements”.

1. Go to [Quinncia](#) by clicking on the tile and then click “Sign In / Sign Up” on the top right corner of the screen. If you have any issues watch [this](#).
2. Upload your resume or if you are just starting to build your resume you will see there are templates directly in Quinncia. If you have issues uploading your resume
3. Check that your information is populated correctly (just like an online application!)
4. Click “Upload Resume”
5. Review your feedback
6. Don’t fully understand your analysis? Click [here](#) for more details!
7. Take this time to think about which improvements make the most impact on your background, experience, and what you choose to highlight to an employer.
 - **Make corrections to your content and formatting and decrease your “Flags” and “Improvements” (see below*)**
 - **Try to get those flags to 0, try to get less than 10 improvements**
 - **You can now edit directly in Quinn!**
 - **Submit your REVISED resume in Canvas as a PDF**

Interview Assignment:
