✚ THE OFFICIAL NASCADIAN CONSTITUTION WAS LAST
UPDATED THE 16TH OF MAY OF 2024 ✚

⚡ PREAMBLE:

Our glorious free nation, coming from the ashes of the Glaconian oppression towards our people, officially declared its independence the 14th of June of 2022, after a long and bloody battle in the city of Port Bravo. Ever since, our nation has always prevailed against the foreign oppressors, freeing nations such as Luisinia, Greater Manuelia and Noahia. Such a nation, needing a grand constitution to limit certain stuff, decided to accept the proposal of Kevin Wormley's constitution, slightly modified by King Andrew I. Still, among the unfavorable battles, allies and influence, we have still survived this chaos as a light among the darkness, a free land which hopes to make more lights among the darkness to make the world a better place. However, the accepted constitution proposal made by Kevin Wormley, with the hopes of establishing general security, contains the following mentioned until the end of this grand nation:

⚡ CHAPTER ONE: ABOUT THE COUNTRY

1. Our glorious nation shall be called "Nascadia" or "Nascadijva" in Nascadian.
2. The official languages in Nascadia are Nascadian and English.
3. The nation of Nascadia has as an official government type a Constitutional Parliamentary Monarchy, ruled under two common leaders, King Andrew III, grand monarch of the nation of Nascadia, and Elo Normi, president of Nascadia, which in Nascadian is considered "Deh Nührer".
4. The state's capital is Rohontho, having as alternate capital Kincardine in case Rohontho gets conquered.
5. The people of Nascadia, including the government officials, must obey the rules implemented in the official constitution.
6. The official animals of Nascadia are the Capybara and the Cat.
7. The "Day of The Empire" is the nation's official festival, celebrated every 14th of June.
8. The Nascadian territory is divided into multiple provinces, which cannot declare independence whatsoever. Such a list of provinces can be looked at [here](#).

⚡ CHAPTER TWO: THE PEOPLE

1. The people have some rights, of course with some obligations.
2. The people have the right of freedom of speech, which they can use to speak about anything they like.
3. The people can smoke, but the government highly suggests not to.
4. The injection of drugs is legal only if it's used medically with strict consumption.
5. ID chips are implemented inside of people to know where they go in case someone goes missing.

6. Capital punishment is legal in some cases, specifically when a “big crime” is committed.
7. Contraception is legal in Nascadia only if there is a risk for the mother, the baby or both.
8. Abortion is legal in the nation of Nascadia only if there is a risk for the mother, the baby or both.
9. The purchase of weapons is legal, but a license is required.
10. Babies that are born in Nascadia will receive a passport, but the legal parents should go to the nearest police station to get their baby enlisted in the nation of Nascadia. If the legal parents prefer doing it in the nation the parents were actually born in, the government will give some money to pay the cost of their emigration.
11. The nation of Nascadia has a social credit system, in which the people get points for good deeds (helping homeless people for example) and lose points for bad deeds (robbing a bank for example).
12. Slavery is legal, but only on war prisoners and on robbers who were caught.
13. Metricism must be used as the official Nascadian measurement system.
14. Once you die, your organs must be donated to the nearest hospital.
15. Cyberbullying is illegal under any circumstance.
16. Women are prohibited from playing any type of sport unless it's a hobby.
