

Speaking Part 3 (So sánh 2 tranh)

Câu giới thiệu khái quát

- The two pictures show different places
- The two pictures show the landscapes in different places
- The two pictures show people in different places
- The two pictures show people (playing sports) in different places

So sánh sự khác nhau: There are some differences in the two pictures

1. Người (số lượng, giới tính, tuổi, nghề nghiệp, trang phục, hành động, nơi chốn, cảm xúc)

- (**Số lượng, nơi chốn**): In the first picture, there are a lot of people on the beach while in the second picture there is only one person in the mountain
- (**giới tính, hành động**): In the first picture, a man is eating whereas in the second picture, a woman is ordering the food
- (**Số lượng, nghề nghiệp, hành động, nơi chốn**): In the first picture, a farmer is working on the farm. In contrast, in the second picture, many students are studying in a classroom
- (**số lượng người, nghề nghiệp, trang phục**): In the first picture, some students are wearing uniform but in the second picture the sales assistant is wearing casual clothes.
- (**Cảm xúc**): The family in the first picture looks happy (relaxed) and it seems that they are enjoying themselves. In contrast, the boy in the second picture looks lonely/serious

2. Cảnh (nơi chốn, thời tiết..)

- (**nơi chốn**): The first picture shows the landscape of a big city while the second picture shows the landscape of a mountainous area
- (**thời tiết**): In the first picture, the weather is really cold because I can see a lot of snow on the trees. The people are wearing warm clothes. In contrast, the weather in the second picture is very hot as the sun is shining brightly

So sánh sự giống nhau: There are some similarities between the two pictures (thường nhìn vào yếu tố: tranh đẹp, sở thích, sự tập trung - dễ nói hơn)

- Both pictures show beautiful landscapes
- The people in both pictures love sports and they are playing in a competition
- The people in both pictures love sports as playing sports is enjoyable and useful. It helps them relax and improve their health
- The people in both pictures look serious as they are focusing on their activities.
- Both pictures are nice and I think they are taken by professional photographers

Ý kiến, cảm xúc

- I like picture 1 more than picture 2 because I love cats/basketball
- I like picture 1 more than picture 2 because the color is brighter. It can raise people's mood
- I love picture 1 more. It looks brighter than picture two. Picture 2 looks a bit dark.
