

*Content sensitivities vary from person to person. Please contact us if you have any specific questions about content, age-appropriateness, or stage effects that may have bearing on audience comfort (sarcomacycle@gmail.com). Below is a list of subjects that some may find challenging, though we don't presume to know everything that may make audience members uncomfortable, so the list is not (and will never be) exhaustive.

 Flashing light warnings for the following plays:

[Spring Break 2020](#)

[Mourning Light](#)

 CONTENT WARNING:

This trilogy shows depictions of, but are not limited to:

Assault, sexual assault, violence, gun violence, medical procedure, gore, graphic bodily fluids, loud sound effects, and strong language.
