Brands of instrument not specifically listed above may lead to a very frustrating year for you, your child, and for your wallet!

- ♪ We strongly advise that you rent from a music store for at least the first year to make sure your student is successful on their chosen instrument.
- ♪ **BEWARE OF CHEAP INSTRUMENTS!!!!** Anything under \$500 is usually not good quality. These instruments often don't sound good, break easily, and sometimes can't be fixed due to poor quality metal. Many families who think they found a good deal end up paying more in repair bills. If you think you have found a good deal on an instrument, please email Ms. Cabrel-Watson bella.cabrel-watson@hallco.org and we can give you some guidance as to whether you are getting a quality instrument or not.
- ♪ Instruments that are not the standard color and material (silver or gold metal for most instruments, black plastic/wood for clarinets/oboes) are NEVER good quality and should not be purchased.
