TMS Families,

Thank you to all of the families who came to the library last night to shop at our Spring Scholastic Book Fair on family shopping night! It's not too late to shop the Spring Scholastic Book Fair. [Online shopping](#) remains open through April 7th!

Students have been busy decorating their [homeroom classroom doors](#) during Caring School Community this week. The theme for the door decorating project centered around motivational and encouraging words, as we prepare for the Illinois Assessment of Readiness (IAR) tests. Today, we enjoyed a fun motivational assembly as a culminating activity to get students ready for next week's tests. We were able to give out several gift cards and free donut coupons during the assembly. Here is a picture of our [6th grade winners](#). Thank you to our local chamber of commerce and area businesses for donating these IAR assembly prizes. During the assembly we had several students and staff members compete against one another in a game of basketball knockout. Next week, our students will "knockout" the annual state tests. Please remind your child to get a good night's sleep and eat a healthy breakfast each day next week! Students may also want to bring a computer mouse and a pair of headphones to school for the online tests. We are looking forward to seeing how well our TMS Crusaders do on this year's tests. They are ready to show that their hard work is paying off! Testing will take place Monday, Tuesday, and Wednesday, with make-ups to follow.

Congratulations to both our band and choral students, along with their instructors, Mr. Carter, Mr. Dennison, and Mrs. Remiger on their SUPERIOR rating at the IGSMA State Organization contests! Well done, TMS musicians and music teachers! We are proud of you!
