PROFESSIONAL EXPERIENCE

Little Elm ISD • Azle ISD • Keller ISD — Little Elm, TX; Azle, TX; Keller, TX Instructional Designer & Criminal Justice Educator (2012–Present)

Progressive instructional design and training roles across three large school districts, focused on adult learners, certification programs, and scenario-based training.

- Designed and delivered interactive learning experiences for 150–180 learners annually, increasing engagement by 20–30% through simulations, case studies, and scenario-based modules.
- Developed 75+ digital lessons, eLearning modules, and instructional materials, reducing reteach time by 25% and improved learner comprehension.
- Conducted needs analysis and implemented data-driven revisions that improved unit assessment performance by 10–15%.

- Created 20+ job aids and workflow documents that reduced instructor onboarding time by 40%.
- Built scenario-based learning experiences that increased real-world application accuracy by 30–40%.
- Facilitated CPR/AED certification for 120+ participants while keeping a 100% pass rate.
- Collaborated with administrators and cross-functional partners on curriculum redesign initiatives that reduced lesson prep time by 30%.

UT Southwestern Medical Center Police Department — Dallas, TX
Police Officer (2006–2012)

- Conducted 300+ investigations, producing detailed, legally compliant reports.
- Delivered courtroom testimony with 100% report-to-testimony accuracy.
- Supported safety across a 14–million-square-foot campus serving 15,000+ daily personnel.
- Collaborated with emergency personnel and medical staff to ensure coordinated responses.
- Managed evidence and documentation with zero chain-of-custody errors.

Event Operations & Guest Services (Part-Time) – 2020–Present

Major Sports & Event Venues — Globe Life Field, Dickies Arena, TCU Athletics

- Deliver high-volume guest services in fast-paced event environments while adhering to strict safety, alcohol service, and compliance standards
- Execute standardized operating procedures, POS transactions, and inventory controls with accuracy during peak demand
- Adapt quickly to dynamic conditions while maintaining professionalism, service quality, and regulatory compliance
