

Dear Mom and Dad,

I am doing a family history class project. I need information on fourteen family members. If you could get it to me by Monday, May 5th that would be great. Examples of some information that you could include would be where they live, birthdays , fun facts, how many kids they have, etc.

Any information you could give me would be great. This project is worth 220 points so it is important to my class grade.

Thanks Again
