

CHAPTER 1: Start

I'm not claiming I handled everything perfectly, but I genuinely believe I made the right choices overall, based on what I knew at the time. I was trying to do what felt fair

So It Started when we hired some guys for the SSOO Glow-up, (Kinulla and Susie Deltarune) Susie Deltarune was the person that controlled Most of the glow-up (Made Most Of The Newer Assets And Animated It) Everything Was Going Normal, but then.....

I Talked To Dice's Voice Actor About This So There Will Be Different Profiles, This Is Obviously A Stock Crown Image and I was a little Skeptical and Thought He'd Use It For Reference, but he was obviously showing this as his own, as mentioned here:

Susie Deltarune 8/2/25, 1:12 PM
WOAH

Tisareelninja 8/2/25, 1:18 PM
?

Susie Deltarune 8/2/25, 1:23 PM
it looks soo good!

Tisareelninja 8/2/25, 1:27 PM
yeah but
it doesnt match the artstyle

Susie Deltarune 8/2/25, 1:30 PM
well, crown is royalty.... so it kinda makes
sense if he doesn't look like the others

Tisareelninja 8/2/25, 1:33 PM
oh
do i remake it or just keep it like that?

Susie Deltarune 8/2/25, 1:34 PM
keep it like that

Tisareelninja 8/2/25, 1:36 PM
okay

Tisareelninja 8/2/25, 1:45 PM
i did 2
but i cant do the rest
idk how to do those (edited)

epic

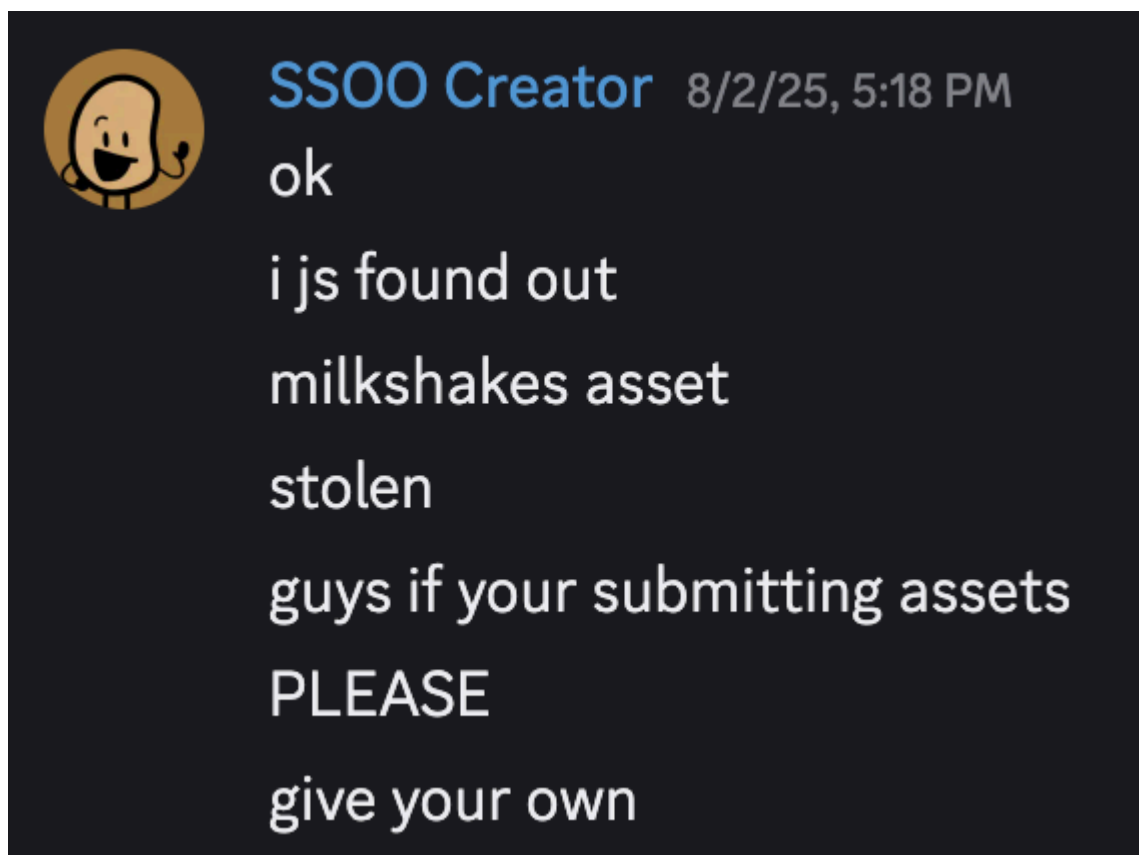

Tisareelninja 8/2/25, 1:49 PM
es

So Them Saying “Remake it” is just saying “I Made It, So Should I Remake It?” He Also Searched Up A Burger Asset So But I Deleted That So No Proof Of That.

CHAPTER 2: FINDING OUT STOLEN ASSETS

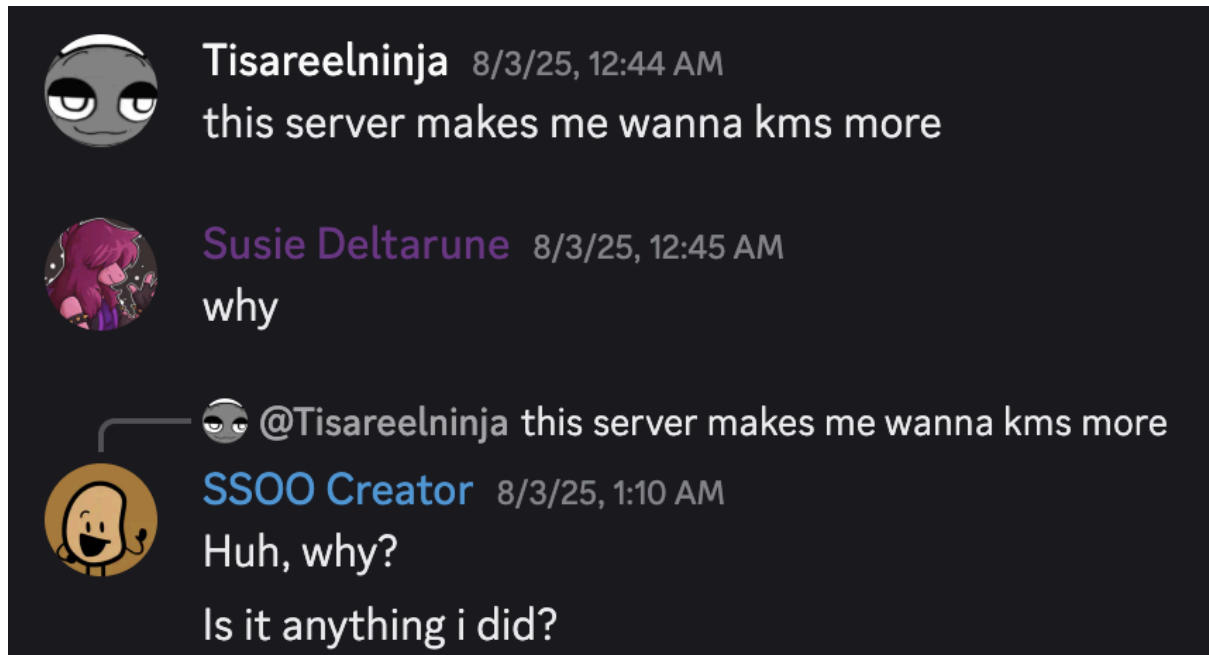

So I Found Out About The Assets Kinulla Stole

So I’ve Made The Mistake Of Asset Stealing Back In SSOO 1a - 3b, and I took accountability and grew from it with a community post, And Now I Do Not Tolerate Asset Stealing, So I Was Obviously Mad When I Saw That But I Understood, Some People Just Make Mistakes (For Clarification, I Don’t Know If It Was A Mistake Or On

Purpose) But We Kept Him In Because He Made 2 Assets On His Own and We Had No Plans To Call Him Out Or Cancel Him.

But He Said We Were Making His Mental Health Worse

Now When Something Happens in my Server I Feel Responsible For It, So I tried to reach out to Him, He Said He Did Not Wanna Work For The Show Anymore, Fair, So I Was Like “Oh uh” But Was Unable To Send, They Blocked Me I Figured So I Let It Go.

CHAPTER 3: LEAKING

So This Is The Part Where It All Started, I thought Everything Was Normal, until, He Leaked The SSOO 6 Script Here [post](#) (i'm revamping the script so this is no longer canon) I Was Pretty Shocked And Never Thought

In A Million Years They Would Resort To This, And I Shared To Some Friends And They Backed Me Up In The Comments (Thanks To Those Guys They're Awesome) And He Kept On Excusing it With "You Guys Were The Reason I Almost Killed Myself" Which Is Weird To Pull Out When People Confront You. Now After 3 Days (Yesterday as of Writing (8/5) He Deleted All Of The Comments But 1.

CHAPTER 4: THREATS

Some Threats Came My Way, Threats For Me To Kill Myself, When I First saw them, I Didn't Care, and I still don't really care about these threats.

CHAPTER 5: WHATS HAPPENING NOW

So Now, Alot Is Happening, Kinulla's Friend, Dmed Me Saying This:

FOR FREE BIHHHHHHH 10:08 PM

Terrence 10:12 PM

i'm listening

He Told Me Kinulla Dmed Him, Saying The Following:

So Hes Saying, That he wants To VA But Doesn't Wanna Be Called Out For Asset Stealing, And If He Reads This Doc, I Hope You Know That I Was Not Even Planning To Call You Out, So This Whole Drama Would've Never Happened So He Brought It On Himself.

So I Asked His Friend If He'd Put Me In A Group With Him So We Could Fix This Drama, But That Was Insufferable

FINAL CHAPTER: The Group Disaster

Terrence 10:21 PM

FOR FREE BIHHHHHHH 10:21 PM

what about the post

u said [REDACTED] to him

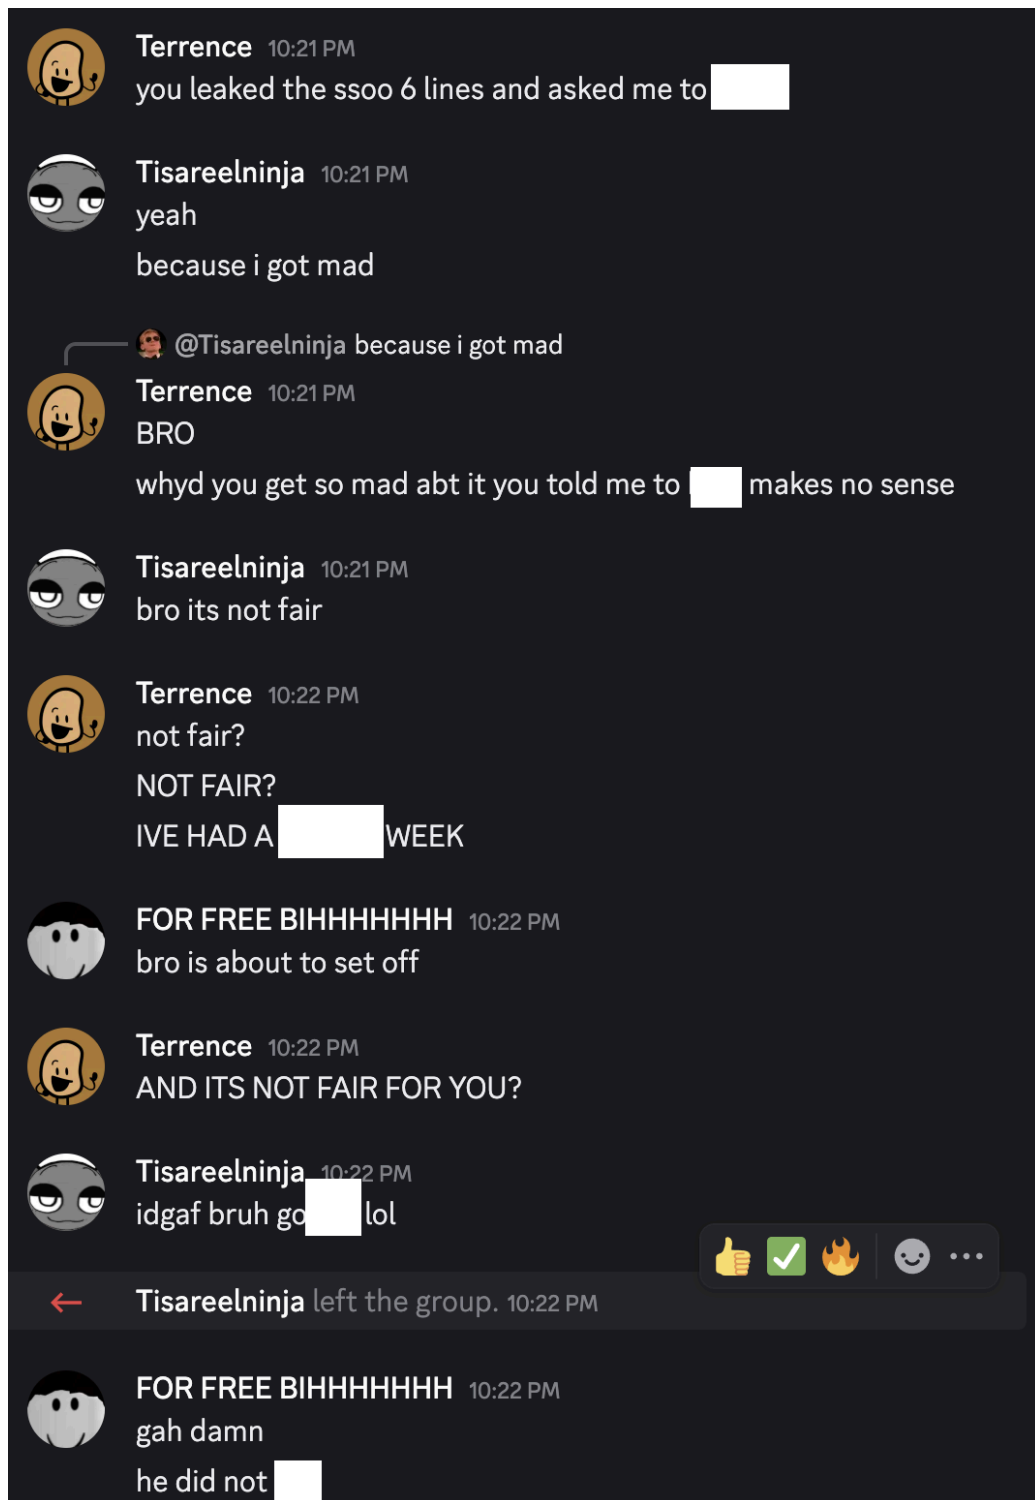

Tisareelninja 10:21 PM

idk

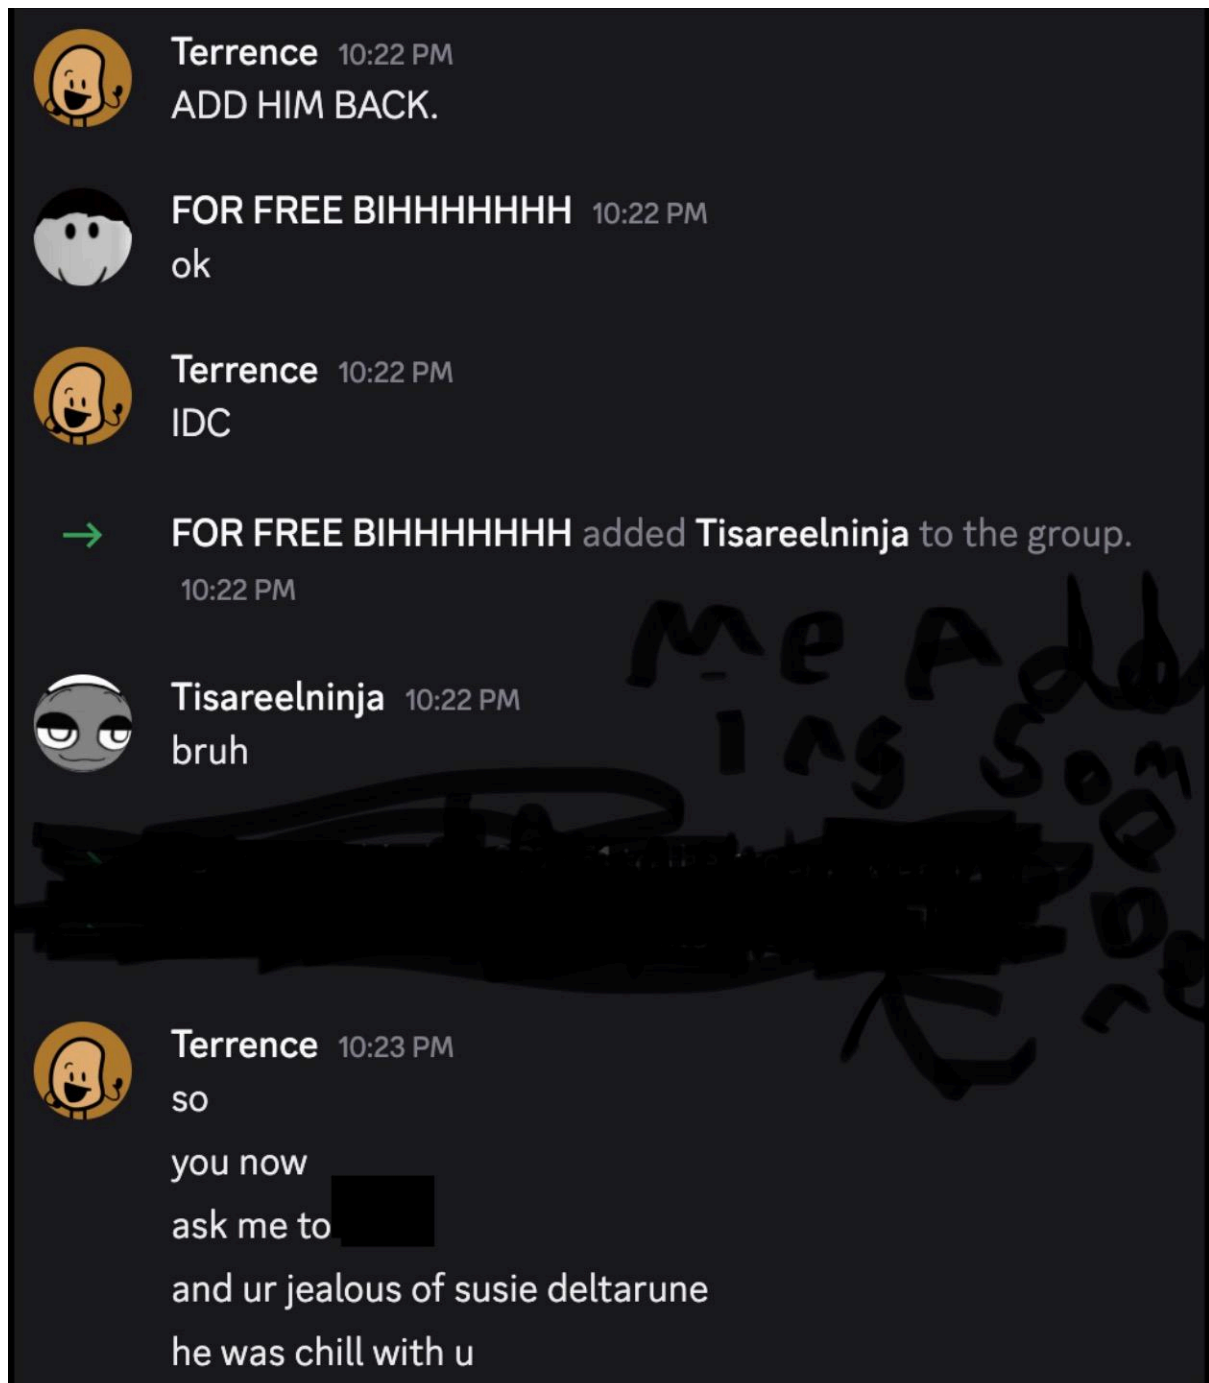

So I Needed To Know, What And When I Offended Him, and He Just dismissed it, saying “idk” to everything, completely dismissing it, and dodges all accountability.

So, he just ignores everything

So He Said I Should kms again, which i still did not care but i feel i had to put it in the doc. Now heres what i did wrong, i asked kinullas friend to add him repeatedly and said “i’d make a doc” leading to the creation of this doc, as shown here (the adding

thing):

Then The Making Doc Thing:

Tisareelninja Yesterday at 10:23 PM

or ill make a doc on him

Now I Apologize for threatening to make the doc, and spam adding him cause i can see how it annoys him for this, but i am not going to be victimizing him for his other actions.

I Also said he'd have a digital footprint, it wasn't me threatening, it was me trying to make him acknowledge if he did not stop doing this, he'd probably have a digital footprint that could stop him from doing stuff he would wanna do like big stuff in his life, and then he said i aint gonna do anything that if i make a doc he can switch accounts as mentioned here

So Hes Dodging Accountability By Saying He'll switch identities, So No One Will Know It's Him

CONCLUSION:

In Conclusion, I Believe He Can Change For The Better and I Forgive Him For All He Has Done To Me, And I Apologize For What i did wrong in this Document and Overall.

Thanks For Reading.
