

## ***The Tragedy of Julius Caesar* Reading Response Journal**

### **5 Points (10)**

- All cited information is effectively paraphrased (alters vocabulary and syntax of the original text)
  - All responses include cited support
  - Ideas and evidence are clearly organized to show a logical progression of ideas in all responses
  - All evidence is properly introduced with appropriate and varied tags
  - All evidence is made relevant and used to develop compelling insight
- 

### **4.5 Points (9)**

---

### **4 Points (8)**

- One citation is missing or one citation uses a direct quote
  - One paraphrase fails to alter vocabulary and/or syntax of original text
  - Ideas and evidence are clearly organized to show a logical progression of ideas in all responses
  - All evidence is properly introduced with appropriate and varied tags
  - All evidence is made relevant and used to develop compelling insight
- 

### **3.5 Points (7)**

---

### **3 Points (6)**

- Two citations are missing or two citations use direct quotes
  - Two paraphrases fail to alter vocabulary and/or syntax of original text
  - Ideas and evidence are clearly organized to show a logical progression of ideas in all but one response
  - Evidence is properly introduced with appropriate and varied tags in all but one response
  - All evidence is made relevant and used to develop compelling insight
- 

### **2.5 Points (5)**

---

### **2 points (4)**

- Two citations are missing or two citations use direct quotes
  - Two paraphrases fail to alter vocabulary and/or syntax of original text
  - Ideas and evidence are clearly organized to show a logical progression of ideas in all but one response
  - Evidence is properly introduced with appropriate and varied tags in all but one response
  - Evidence is made relevant and used to develop compelling insight in all but one response
- 

### **1.5 Points (3)**

---

### **1 point (2)**

- Three citations are missing or three citations use direct quotes
- One of the remaining responses fails to alter the vocabulary and/or syntax of original text
- Ideas and evidence are clearly organized to show a logical progression of ideas in all but two responses
- Evidence is properly introduced with appropriate and varied tags in all but two responses
- Evidence is made relevant and used to develop compelling insight in all but two responses
