ABOUT BARRINGTON YOUTH SOCCER

Barrington Youth Soccer Association (BYSA) is an educational, non-profit organization formed to promote, foster, and perpetuate the game of soccer for players under 20 years of age in Barrington, Rhode Island and surrounding community members.

BYSA provides opportunities for youth players to learn and grow while playing soccer in an environment that is safe, fair, and fun. BYSA offers programs for girls and boys of diverse ages and skill levels. BYSA also recruits, trains, and supports coaches, referees, administrators, and other adult volunteers to serve the club's programs.

BYSA's program includes nearly 1,000 members from ages 3-19 across a wide array of programs including the introductory program, Mini Kickers, the fall House League in Barrington, the competitive Travel program, and our TOPS program serving community members with intellectual, developmental, or physical disabilities.

THE VALUE OF OUR SPONSORS

Our sponsors play a vital role in supporting our organization including funding of scholarships for our players that need financial support and helping us promote BYSA's biggest event of the year, the **Barrington Invitational Tournament (B.I.T)**, which brings over 130 teams from across New England to Barrington every fall. This year our 45th Annual Barrington Invitational Tournament will be held November 7th & 8th
