TERMS OF SERVICE

@prayforelves

PAYMENT

- All prices are in USD. Payments will be completed through Paypal or Venmo. Prices are subject to change.
- All payments must be completed in full up front.
- Refunds can be completed at the initial draft stage for 50% if the client decides to cancel the project. After this stage, I will not offer refunds unless I need to stop the project.

ADDITIONAL CHARGES

- For refsheets and commissions over \$50, edits can be made during the initial drafting phase. As I progress past the drafting phase, any additional changes will result in a fee.
- Complex designs, additional limbs (wings, arms, complex tails), and complex clothing are an additional fee.
- Additional characters can be added for the same price as the first.

HARD NOs and NAHs

- I will not draw the following: Offensive/hate/racist-related art, NSFW, fetish art, or any topics that make me uncomfortable.
- I reserve the right to deny any commission.
- I may not take a commission because the topic is not something I am artistically interested in. I'm not interested in being commissioned to draw tattoo designs, realistic portraits, your cousin's baby, etc.

TURNAROUND

- Commissions may take between 2 weeks - a few months depending on complexity. I have a full time career and this is just a side-hobby. I will do my best to quote a reasonable timeframe for the project and keep the client updated on project progress.
- Finished pieces will be sent as .png files.

INTELLECTUAL PROPERTY

- All original work is copyrighted by me. You may not claim it as your own nor sell additional copies for profit. Provide artist credit when posting online. Watermarks are not to be removed from images.
- You may resell your original commission provided that artist credit is still given to me.
- I reserve the right to post your art online and will credit you as the client if desired.
- My art may not be used for AI nor sold as NFT.
