\* On the first day - that is Friday 29th of July - we are ready to welcome you all in the morning if you are coming by car or by train in Kołobrzeg train station.

**Everybody has his own time because of the long distance.**

\* It would be easy for us if each family coming by train will inform us at what time their train arrives in Kołobrzeg, so we can pick them up by bus at the train station.

\*After arrival you are free to take a rest or play at the play ground in front of the school.

Some can help in the kitchen or visit Kołobrzeg city,waiting for others to arrive.

\*After talking with the school director regarding the children, it was decided that the payment is **30 zł per person per night**, so if your child is small you can let the child sleep together with you and it would be counted as one.

\* Please be reminded as well that we are not the only group who are staying & using the place. So please follow proper decorum. Anyhow, you are free to use the facilities of the school like the playground, school gym and the garden.

\* Please maintain the area **Clean**.

\* Upon arrival to the venue, **register** yourself at once.

\* submit the things/food assigned to the incharge/committee.

\*Pay your room accommodation /bills at once. Once paid, your room keys will be given to you.
