

Hello MTC Families!

We are looking forward to seeing you soon for our FALL 2025 season! Just a couple of reminders as we are getting closer to the start of the season.

*Your audition/welcome email was sent out mid-June with all the directions and information for the start of the season. If you missed it in your email, please make sure you go to the Theater Company Corner to get the info. The Theater Company Corner is a great resource all year as well. Each weekly update will be posted there for you as we go throughout the semester.

<https://www.masterworksnc.com/mtc-corner>

*Don't forget to register for an audition time!

Auditions are held in 15-20 minute slots at the Masterworks locations:

Junior Monday Class: Monday, August 4, 4:00-7:00pm

Junior Thursday Class: Thursday, August 7, 4:00-7:00pm

Seniors Class: Tuesday, August 5, 4:30-8:00pm

*Nervous about auditions? We still have a little space in the Bootcamps where students will learn the dance portion of their audition, get tips on what directors are looking for and answer any questions students have. **Remember this year, Juniors are doing a dance section as part of their audition.** If students can't make it to bootcamp, the dance selection will be posted for you to use at home and practice. Students have to come to audition with the dance selection already learned, we will not be teaching it at auditions.

Bootcamp: <https://www.masterworksnc.com/new-products/theater-company-bootcamp>

*Audition prep lessons are available this month! These lessons are for Theater Company students to help prepare for auditions by giving specific feedback and instruction during their session. When students come to these lessons, they need to have chosen and practiced their script and song choice for their auditions, or at least looked over the options. For those in private lessons for the 2025-2026 season, remember with an earlier MTC start date this season, you may not have any lessons before auditions begin the first week of August to prep.

*Don't forget to do your conflict form before auditions.
