If you are interested in commissioning something that is not listed below, please contact me via Twitter.

Before you commission. . .

Please remember that I work full-time and will most likely be working on your request in between my usual work hours. But of course, they will **always** get done within a **reasonable** amount of time! If you have a specific date in mind for when you'd like your commission to be completed, please let me know!

★ Full Song commissions

I will record for you a full song of your choosing. I will sing main vocals and any background vocals/harmonies.

Lyric adaption prices apply if I have to translate the song myself. See below.

**I can also sing in a song that you've written/created yourself! DM me for details.*

★ Vocal/Backup vocal commissions

I can sing backup vocals/adlib vocals in your song!
You can use my voice in your music or YouTube videos.

**Pricing may vary for any professional use. Inquire via DM.*

Example: I sang backup vocals for Lyrica's "Polaris" cover!

★ Lyric Adaptation commissions

I will write an English, singable version for a song of your choice.

Preferably a Japanese song that already has a rough English translation.

**I can also provide vocal track guides of these lyrics for an extra fee. Inquire via DM.*

Example: I translated and wrote the lyrics to my english cover of "Heroine Development Plan" by Honeyworks!

{ Website of all my lyrics! }

★ Harmony/Adlib Guide commissions

I can create harmonies/adlibs if none previously exist in the song, or if the harmonies/adlibs are difficult to hear.
Songs can be in English, Japanese, Tagalog, or Spanish.
