Excellent event! It was well organized and enjoyed there breakout sessions.

I would like to see chapter anniversary to be seen as important as Sorority Founder's Day. The program did not honor the charter members or the history of accomplishments of the chapter. My bag did not include all the required content and my cupcake was destroyed. Pickup time was issued last minute and was for a very limited time.

It was well coordinated. Very informative.

Overall the event was good. I think the mixologist seemed rushed. All supplies should have been listed prior to the event (e.g. shaker). Perhaps there should have been an announcement that the gift bags had perishable food items to encourage more sorors to pick up. Also, the time change may have contributed to the lack up response.

Everything was exceptional!

Great event

The entire event beginning to end was very well done

Very good program

Very nice, well put together

Excellent

You could taste the live in the gift bag snacks. Great program, informative, interactive and not too long.

Great event! Thank you for the time and detail put into the awesome gift bags!

I thought the event was too short.

Enjoyed the program , Awesomr!!

Enjoyed the program and time limit

Great event and loved the break out Roma. Would love to read the comments from the rooms. It was like actually being there in person.

Everything was excellent. I would have enjoyed more detail from the mixologist.

Very nice event. Well planned and carefully thought out. Appreciate it was 1 hour .

Great job!

The committee did an outstanding job!! I enjoyed the snacks and the opportunity to make my own beverage.

As a member of the committee sorors need to be mindful of funds expended. If events happen and you are not able to attend be considerate and pass gift to someone else so funds/gifts are not wasted. we know things happen but there were a lot of no shows or notification of not being able to pick up

I thoroughly enjoyed the Chapter Anniversary event!

Program was really good.

Please provide recommendations for future Chapter Anniversary events. 14 responses

Great job utilizing the virtual environment. No recommendations at this time.

Formal program with emphasis on chapter history and charter members.

The demo for the mixer was not fully visible so we could follow along.

Perhaps a slightly more formal program. Soror Sewell's presentation in 2020 was really nice. She highlighted the work that the chapter had done over the years.

None

Continue to make event a virtual option

Looking forward to fellowship in person next year. I miss seeing you all.

Chapter trip, update the chapter history book

That's tough to say due to unknown status of the Coronavirus. Honoring the founders is an integral element of the anniversary and RCO is commended for its actions.

This is regarding any chapter function: For any Soror that make a commitment to attend a function where chapter funds are expended but do not attend without notice, then an reimbursement to the chapter should be assessed.

Hopefully an excursion or day-trip if we can ever return to in-person activities.

A LOT of work went into preparing the bags for pick. Ample time was given but there were a LOT of bags that weren't picked up. Soror Robin and other Sorors put in hard work & time. We asked other committees to provide additional funds that we really didn't need since we had unclaimed bags. The program was nice but some of our members were not very thoughtful.
