### **Driving Routes and Maps**

Please plan your morning routine accordingly so that you are in your first period class on time; 8:15AM. As we transition into a new school year with new traffic patterns and parking configurations I remind everyone in our school community that it is expected that we all follow the new traffic routes, student drop off / pick up area and parking designations. There are no shortcuts to be had, please follow the parking areas and signs as posted.
