Introduction

Hello and welcome to this compilation of Motis fanfics. My nick is macgoldenof and this list includes the fanfics I have liked the most.

If you have found this list on Reddit, feel free to join us on the associated Discord server: <https://discord.gg/6KcK7eu>

Previous considerations

If you enjoy these fanfics, please consider leaving a message or a like/kudos to support the author as a form of appreciation for their work. Trust me, it's really appreciated.

I did my best to warn about stories containing smut as well what's their status (finished, in progress, ...) but please, always check the tags, classification, description, and other elements available to decide if the story is worth reading for you.

Missed Call [Finished]

This one more is more about the confrontation between Maeve and Isaac after she discovers about the message than an Otis-Maeve story, but since it's my list I will include it

In this one the dance in S1 develops a little different.

I Wanna Be Yours [Finished]

A smut fanfic in which Otis and Maeve share their first time together.

My version of Season 3 [Finished]

As the title indicates, this one tells how the story of S3 will develop.

Other Motis fanfics

I not only read Motis fanfics but also write them, but it doesn't feel right to have them on this list since I'm a bit biased XD

So, if you have reached this point, and you still want more Motis fanfics, you can have mine:

- [macgoldenof's fanfics](#)

Otis-Jean fanfics

Although the main focus of this list are Motis fanfics, I can't help but recommend these fanfics that explore the mother-son relationship between Otis and Jean:

- [Soft](#)
- [Doctor Mummy](#)
- [Splits and Swerves](#)

Where to find the fanfics

These are the websites in which you can find fanfics so you can keep yourself updated even when the list is out of date.

The best place to find Maeve-Otis fanfics is:

- https://archiveofourown.org/tags/Otis%20Milburn*s*Maeve%20Wiley/works

Then of course you have the Sex Education category as a whole if you are interested in other pairings:

- [https://archiveofourown.org/tags/Sex%20Education%20\(TV\)/works](https://archiveofourown.org/tags/Sex%20Education%20(TV)/works)

Still in English there is also:

- <https://www.fanfiction.net/tv/Sex-Education/>

Sometimes you can even find people writing their own fanfics in the show' subreddit, not a common occurrence but it happens:

- <https://old.reddit.com/r/NetflixSexEducation/>

You can also find fanfics here, but I'm not entirely sure which is the best way to find them, so I leave that to you:

- <https://www.wattpad.com/>

Conclusion

I hope you have enjoyed all of these fanfics as much as I did. If you have any question, suggestion, or commentary, I suggest you ask in the previously linked Discord, the ones who hang around there will try to help you.

¡Have a nice read!
