The HHS Counseling Staff is ready to support your students through this challenging time, Monday through Friday, 8:00 AM to 4:00 PM. We are eager to see you all in person after this time of distance learning. We understand that anxiety is amplified during this time, and we are available via phone, video, or email to support student success and mental health. We will strive to create an environment to engage all students - please join us in welcoming new members of our team - we're all in this together!
