

6th Grade Curriculum

All 6th grade students will experience the following courses throughout their day:

*English (see below for information regarding our ELD program)

History (Ancient Civilization)

**Math

Earth Science

Physical Education/Health

[Elective](#)

*ELD 1 and 2 have two periods of sheltered English and history. ELD 3 is one period of support only, they are in mainstream history and English classes.

ELD 3 writing support class supports students in the four areas of language domains (listening, speaking, reading, and writing) and homework support.
