SECONDARY TEACHING POSITION

Corunna Public Schools is looking for a teacher that meets our GOLD standard.

Secondary Math Teacher

Mathematics (EX) or (EQ)

JOB DESCRIPTION

Corunna Public Schools is looking for the best person available. Our district lives its mission statement of preparing an unprecedented number of students to be college and/or career-ready daily. Our district is known for offering quality education in a small-town environment with the amenities of a larger community (our district buildings are five minutes away from Applebee's, Culver's, Meijer, Wal-Mart, etc.).

Our county's cost of living is incredibly low. We are a class "B" / Division 2 school (around 130 students per grade level) with a reputation for higher standards. We have an award-winning inclusive preschool. Our school is the community "hub." Homecoming is still a big deal in our small town, which is the county seat. Our community is incredibly supportive of our district as well. We have high-achieving athletic teams and award-winning extra-curricular programs. Despite having many students coming to us via school of choice, our constituents have passed a pair of multi-million dollar bond proposals since 2015.

 - (Applicants may apply prior to graduation.)
