

Paying Dues

Paying dues is a critical part of being in Key Club! They support Key Club at the District and International level. You must be a dues-paying member to apply for District positions, attend conventions, and apply for scholarships!

Early Bird Deadline: November 1, 2022

Regular Deadline: December 1, 2022

How Much Are Dues?

International Dues: \$7.00

Capital District Dues: \$4.50

TOTAL \$11.50

Please note that clubs can add an additional fee to keep for your home club! (For example, your club may charge members \$15 and keep the remaining \$3.50 for your club events, meetings, and service projects.)

How to Pay Dues

Every club should determine the best way for individual members to submit dues to your school. Work with your Faculty Advisor to make a plan! Once your club has collected dues, update the roster of members in the Key Club Membership Update Center and generate an invoice. Clubs can pay their invoice either online or with a check.
