San Antonio Math Include

Edward is part of the Class of 2024 at Princeton International School of Mathematics and Science. Beginning from a young age, he is interested in Math and Computer Science. He has attended many math and computer competitions and has some great achievements, such as AMC and USACO. He is such a passionate person that he is always ready to give a helping hand to others. Thus, he really looks forward to helping others who are also interested in math and computer science in the camp.
