

Transitional Position Program

The Transitional Position Program is designed to assist GSRs in a PI-funded appointment who are seeking a new transitional position.

Employees are eligible for this program if they meet the following criteria:

- 1. Are in good employment standing, including conduct and performance*
- 2. Are dependent on their Principal Investigator for employment*
- 3. Have been with their Principal Investigator for at least three quarters/two semesters (or the equivalent amount of time)*
- 4. Have made a clear argument, corroborated by the department, that there is an irreparable employment-related conflict in the supervisor-supervisee relationship and that the supervisor relationship is beyond repair for reasons outside of the employee's control, or that the employee's PI left the University.*
- 5. Has not previously received a transitional position.*
