

Need \$100?

Jump on board the South-Western City Schools Council of PTAs

Membership Incentive contest

It's time for the South-Western Council of PTAs Membership Challenge! This school year, your unit could win \$100 for participating! Here's how it will work:

There will be 4 categories:

- Preschool/Elementary Schools
- Intermediate Schools
- Middle Schools
- High Schools/Career Academy

On April 1st, the PTA/ PTSA unit from each group that has the highest percentage of memberships for their student body totals at the school, will win \$100!

For example, if your school has 500 students enrolled, and your PTA unit has 50 memberships, your Membership Percentage will be 10%. In the event of a tie within a group, names will be drawn from a hat to determine the winner.

BUT THERE'S A TWIST! Staff memberships count for TWO entries this year—so make sure your staff purchase the correct membership in GiveBacks.

What do need from you? **By April 1st, I will need you to email me information on how many students are enrolled in your school. Your email serves as your entry, so no email, no entry.**

At that time, make sure that all of your members have been entered into GiveBacks because we will be using that data to calculate the winners. Winners will be announced at the final PTA meeting in spring.
