

Pokémon Mystery Dungeon Explorers Of Sky Froslass Voice:

Froslass: Tee-hee... Visitors... What a rare sight...

Froslass: Tee-hee... Welcome... I'm Froslass. I play host to the infrequent visitors to this frozen hinterland!

Froslass: It must have been awfully exhausting for to fight those blizzards. Please, do come closer... You must be chilled almost down to the bone... So let me freeze you solid! All the way down to the bone!

Froslass: Eeeeeek!
