

## **That Girl:**

[Verse 1]

Didn't have to run, I knew it was love from a mile away  
But I had to catch you, running through my mind all day baby  
They all say I'm crazy, cause anybody even when your father say  
That I can't be with you, I don't hear a word they say

[Hook]

Cause I'm in love with that girl  
So don't be mad at me  
Cause I'm in love with that girl  
So don't be mad at me  
So what if you're from the other side of the tracks, so what if the world don't think we  
match  
I'll put it down like my love's on wax, guess what  
I'm in love with that girl  
And she told me, she's in love with me

[Verse 2]

Now we didn't have to fall, but we fell in love to the bottom babe  
No one's there to catch us, like when you fell from heaven that day, baby  
People always staring, but I don't care nothing about it babe  
Since I saw your face, I've been staring just the same.

[Hook]

[Break]

My pretty lady  
You'll always be my baby, baby, baby  
It's so amazing  
How you became my baby, baby, baby  
My little daisy  
Come here let me rock you like a baby, baby, baby  
Pretty lady  
Don't you know, you'll always be my baby, baby, baby

[Bridge]

Now don't it seem like these days  
That everybody's got something to say  
But I don't pay attention to the talk baby  
And I don't really care if they stop and stare  
Because they see my number one  
My number one girl

I told you I'm in love with that girl

[Hook]

[Outro]

I'm in love, I'm in love with that girl  
I don't care what people say  
Cause I'm in love with that girl

---

## **Mirrors:**

Aren't you somethin' to admire?  
Cause your shine is somethin' like a mirror  
And I can't help but notice  
You reflect in this heart of mine  
If you ever feel alone and  
The glare makes me hard to find  
Just know that I'm always  
Parallel on the other side

Cause with your hand in my hand and a pocket full of soul  
I can tell you there's no place we couldn't go  
Just put your hand on the glass  
I'm here tryin' to pull you through  
You just gotta be strong

I don't wanna lose you now

I'm lookin' right at the other half of me  
The vacancy that sat in my heart  
Is a space that now you hold  
Show me how to fight for now  
And I'll tell you, baby, it was easy  
Comin' back here to you once I figured it out  
You were right here all along

It's like you're my mirror  
My mirror staring back at me  
I couldn't get any bigger  
With anyone else beside of me  
And now it's clear as this promise  
That we're making  
Two reflections into one  
Cause it's like you're my mirror  
My mirror staring back at me, staring back at me

Aren't you somethin', an original  
Cause it doesn't seem merely assembled  
And I can't help but stare, cause  
I see truth somewhere in your eyes  
I can't ever change without you  
You reflect me, I love that about you  
And if I could, I  
Would look at us all the time

Cause with your hand in my hand and a pocket full of soul  
I can tell you there's no place we couldn't go  
Just put your hand on the glass  
I'm here tryin' to pull you through  
You just gotta be strong

I don't wanna lose you now  
I'm lookin' right at the other half of me  
The vacancy that sat in my heart  
Is a space that now you hold  
Show me how to fight for now  
And I'll tell you, baby, it was easy

Comin' back here to you once I figured it out  
You were right here all along

It's like you're my mirror  
My mirror staring back at me  
I couldn't get any bigger  
With anyone else beside of me  
And now it's clear as this promise  
That we're making  
Two reflections into one  
Cause it's like you're my mirror  
My mirror staring back at me, staring back at me

Yesterday is history  
Tomorrow's a mystery  
I can see you lookin' back at me  
Keep your eyes on me  
Baby, keep your eyes on me

I don't wanna lose you now  
I'm lookin' right at the other half of me  
The vacancy that sat in my heart  
Is a space that now you hold  
Show me how to fight for now  
And I'll tell you, baby, it was easy  
Comin' back here to you once I figured it out  
You were right here all along

It's like you're my mirror  
My mirror staring back at me  
I couldn't get any bigger  
With anyone else beside of me  
And now it's clear as this promise  
That we're making  
Two reflections into one  
Cause it's like you're my mirror  
My mirror staring back at me, staring back at me

You are, you are the love of my life [x10]

Now you're the inspiration for this precious song  
And I just wanna see your face light up since you put me on  
So now I say goodbye to the old me, it's already gone  
And I can't wait wait wait wait wait to get you home  
Just to let you know, you are

You are, you are the love of my life [x8]

Girl you're my reflection, all I see is you  
My reflection, in everything I do  
You're my reflection and all I see is you  
My reflection, in everything I do

You are, you are the love of my life [x16]

---

## **Tunnel Vision**

I know you like it, I know you like it  
I know you like it, I know you like it  
I know you like it, I know you like it  
I know you like it, I know you like it  
I know you like it, I know you like it  
I know you like it, I know you like it  
I know you like it, I know you like it  
I know you like it, I know you like it

Don't know why but girl  
I'm feeling close to you, maybe this ocean view  
I'm so emotional, and all these stars been dancing on my head  
Too long, too long, too long  
I wrote a song for you, I wanna sing to you  
But every time I'm close to you, the words wanna come out, but I forget  
It's so strong, it's so strong, it's so strong

Didn't I seem like I'm catching something. That's because it's true  
I can't deny it, and I won't try it but I think that you know  
I look around and everything I see is beautiful 'cause all I see is you  
And I can't deny it and I stand by it, and I won't hide it anymore

A crowded room anywhere, a million people around, all I see is you  
And that everything just disappears, disappears, disappears, disappears  
Yeah a million people in a crowded room  
But my camera lenses only been set to zoom  
And it all becomes so clear, becomes so clear, becomes so clear

I got that tunnel vision for you  
I got that tunnel vision for you  
I got that tunnel vision for you  
I got that tunnel vision, I only see you  
I got that tunnel vision for you  
I got that tunnel vision for you  
I got that tunnel vision for you  
I got that tunnel vision, I only see you

Now that I know the truth, what am I supposed to do?  
Changing up and breaking all my rules ever since we met  
I'm so gone, I'm so gone, I'm so gone  
Just like a movie shoot, I'm zooming in on you  
Everything is extra, in the background, just fades into the set  
As we ride off into the sun

Didn't I seem like I'm catching something. That's because it's true  
I can't deny it, and I won't try it but I think that you know  
I look around and everything I see is beautiful 'cause all I see is you  
And I can't deny it and I stand by it, and I won't hide it anymore

A crowded room anywhere, a million people around, all I see is you  
That everything just disappears, disappears, disappears, disappears  
Yeah a million people in a crowded room  
But my camera lenses only been set to zoom  
And it all becomes so clear, becomes so clear, becomes so clear

I got that tunnel vision for you

I got that tunnel vision for you  
I got that tunnel vision for you  
I got that tunnel vision, I only see you  
I got that tunnel vision for you  
I got that tunnel vision for you  
I got that tunnel vision for you  
I got that tunnel vision, I only see you

Zoom zoom zoom....  
Zoom zoom zoom in on you  
I only see you!  
Zoom zoom zoom....  
Zoom zoom zoom in on you  
I only see you!

I know you like it, I know you like it  
I know you like it, I know you like it  
I know you like it, I know you like it  
I know you like it, I know you like it  
I know you like it, I know you like it

A crowded room anywhere, a million people around, all I see is you  
That everything just disappears, disappears, disappears, disappears  
Yeah a million people in a crowded room  
But my camera lenses only been set to zoom  
And it all becomes so clear, becomes so clear, becomes so clear

I got that tunnel vision for you  
I got that tunnel vision for you  
I got that tunnel vision for you  
I got that tunnel vision, I only see you  
I got that tunnel vision for you  
I got that tunnel vision for you  
I got that tunnel vision for you  
I got that tunnel vision, I only see you

I know you like it, I know you like it  
I know you like it, I know you like it

I only see you

I know you like it, I know you like it  
I know you like it, I know you like it  
I know you like it, I know you like it

I only see you, yeah.

---

## **Suit and Tie**

[Verse 1]

I can't wait til I get you on the floor, good-looking  
Going out so hot, just like an oven  
And I'll burn myself, but just had to touch it  
It's so fly and it's all mine  
Hey baby, we don't mind all the watching  
Cause if they study close, real close  
They might learn something  
She ain't nothing but a little doozy when she does it  
She's so fly tonight

[Hook]

And as long as I've got my suit and tie  
I'mma leave it all on the floor tonight  
And you got fixed up to the nines  
Let me show you a few things  
All pressed up in black and white  
And you're dressed in that dress I like  
Love is swinging in the air tonight  
Let me show you a few things  
Let me show you a few things  
Show you a few things about love  
While we're in the swing of love  
Let me show you a few things  
Show you a few things about love  
Hey

[Verse 2]

Stop, let me get a good look at it  
So thick, now I know why they call it a fatty  
Sh\*t so sick got a hit and picked up a habit  
That's alright, cause you're all mine  
Go on and show 'em who you call daddy  
I guess they're just mad cause girl, they wish they had it  
My killer, my filler, yeah you're a classic  
And you're all mine tonight

[Hook]

And as long as I've got my suit and tie  
I'mma leave it all on the floor tonight  
And you got fixed up to the nines  
Let me show you a few things  
All pressed up in black and white  
And you're dressed in that dress I like  
Love is swinging in the air tonight  
Let me show you a few things  
Let me show you a few things  
Show you a few things about love  
While we're in the swing of love  
Let me show you a few things  
Show you a few things about love

[Verse 3]

All black at the white shows  
White shoes at the black shows  
Green card for the Cuban links  
Y'all sit back and enjoy the light show  
Nothing exceeds like the excess  
Stoute got gout from having the best of the best  
Is this what it's all about?  
I'm at the restaurant with my rant  
Disturbing the guests  
Years of distress, tears on the dress  
Try to hide her face with some makeup sex  
This is truffle season

Tom Ford tuxedos for no reason  
All saints for my angel  
Alexander Wang too  
Ass-tight Denim and some Dunks  
I'll show you how to do this young!  
No papers, catch vapors  
Get high, out Vegas  
Who says the devils ain't looking for trouble  
You just got good genes so a nigga tryna cuff you  
Tell your mother that I love her cause I love you  
Tell your father we go farther as a couple  
They ain't lose a daughter, got a son  
I show you how to do this, hun!

[Hook]

And as long as I've got my suit and tie  
I'mma leave it all on the floor tonight  
And you got fixed up to the nines  
Let me show you a few things  
All pressed up in black and white  
And you're dressed in that dress I like  
Love is swinging in the air tonight  
Let me show you a few things  
Let me show you a few things  
Show you a few things about love  
While we're in the swing of love  
Let me show you a few things  
Show you a few things about love  
Hey
