

## Staff Spotlight - Doug Underwood

Hello, my name is Doug. I have been with the company for about 5 years. I started almost a year before we opened officially in October 2009. Stephen and I did a lot of research and planning before we opened. My first job was to take care of the dogs at night. I was in this job for almost 3 and half years at Gilbert Dogs.

I recently assumed a new position as the Accountant for both Chandler Dogs and Gilbert Dogs. I have got to know a lot of you and your furry kids at Chandler Dogs. Its been a new, fun challenge to work with Carlos and his staff at Chandler and Amy and her staff at Gilbert in this

new position.

Working with dogs has been one of the most rewarding experiences of my life. The dogs become good friends and of course their doggie parents too. When you lay down and cuddle with a dog, you become pretty close buddies.

This job has allowed me to spend time with the love of my life, Roxy. Roxy is my Great Dane with hearing and sight impairments. I needed a job that allowed me to be with her almost all the time, what was more perfect than a doggie daycare/boarding facility!

As many of you might know, I recently had some health issues with my heart. I had to get a pacemaker to help the rhythm of my heart. I want to let you all know I feel a lot better and I deeply appreciate all of the kind words and prayers you gave me.
