Mostly Music from the Renaissance
La Mer Consort Recorders Plus
Director Brenda Bittner

La Mer Consort is an amateur recorder group which meets to play as an ensemble and often performs. We have been in the South Bay for over 40 years. Participant level is intermediate/advanced but beginners who can read music can be accommodated. Join us to enjoy music through the ages with an emphasis on Renaissance/Baroque music. For questions: Brenda 310-378-8750 or bbbitt@aol.com

The La Mer Consort Recorders Plus Class meets at Manhattan Heights Park in Manhattan Beach. The spring session runs from September 11, 2024 to November 13, 2024. Classes meet Wednesday evenings from 6:30 to 9:00. Technique and beginners from 6:30 pm to 7 pm.

The class is primarily for recorders, but we welcome other early music instruments (such as flute, violin, cornetto, crumhorn, gamba, sackbut or percussion) and voice to add variety to our performances. Occasionally, we demonstrate Renaissance dance as well.
