MassCUE 2026 Classroom Grant

Dissemination Commitment Agreement

As a condition of receiving a 2026 MassCUE Classroom Grant, all recipients agree to publicly share the outcomes and impact of their funded project in order to support professional learning across the MassCUE community.

MassCUE grants are designed not only to fund innovative classroom practice, but also to amplify effective instructional strategies and student-centered technology integration across the Commonwealth.

By signing below, the applicant agrees to fulfill the following dissemination requirements:

Required Dissemination (Grant Eligibility Requirement)

Grant recipients must:

1. Submit a 400–800 word reflective blog post for publication on MassCUE's OnCUE blog.
2. Record short 60-90 second video testimonial about grant award
3. Address impact on teacher practice and student learning.
4. Include at least one photo (in accordance with district media release policies).
5. Submit the blog post no later than **Feb. 23, 2027.**
6. Ensure the reflection responds substantively to the MassCUE guiding questions provided after the award.

Failure to complete the required blog & video submission may impact reimbursement processing.

Optional Dissemination Opportunities (Select All That Apply)

To further strengthen professional sharing and collaboration, recipients are encouraged (but not required beyond the blog) to participate in one or more of the following:

- ☐ Submit and present a workshop proposal at the 2027 MassCUE Fall Conference
- ☐ Submit and present a workshop proposal at a MassCUE-Sponsored Event
- ☐ Participate as a guest on the MassCUE "Get a CUE" Podcast

Please note: While submission of a proposal is required if selected above, acceptance to present follows regular conference selection procedures.

Representation & Media Use

By signing this agreement, the recipient grants MassCUE permission to:

- Publish submitted blog content on the MassCUE website
- Promote the grant project through newsletters, social media, and marketing materials
- Use submitted images in alignment with provided permission.
- Grant recipients confirm that all media shared adheres to district policies and appropriate student consent requirements.

Affirmation

I understand that dissemination is a required component of the MassCUE Classroom Grant Program and agree to fulfill the commitments outlined above as a 2026 grant recipient.
