

## **Check out what happens in the SCDF's Community Emergency Preparedness Programme**

[Check out what happens in the SCDF's Community Emergency Preparedness Programme](#)

This video showcases a training programme under the SCDF's Community Emergency Preparedness Programme, offering students insight into the key aspects of disaster risk management advocated in Singapore's context.

### **Discussion Questions**

1. Why do you think it is important for us to be prepared for emergencies and disasters in Singapore?
2. How can you play a part in disaster risk management as a student in school, as a child at home and as a resident in your neighbourhood?
