

raralabelle1 10/13/2024 12:42 PM

I'm making a lore about Noisette's mother taking place in the 1980s. Not only there's a story about her and her former friends, but there's also a story about a trio in the 1970s who are misfits who are all abused by their own parents.

These misfits got into trouble because of their abusive parents.

The trio consists of an African-American girl, a Hispanic-American girl, and a neglected white boy.

The white boy was neglected by his parents and they only paid attention to their perfect and smart sons who are older and younger than him.

The Hispanic-American girl wanted to wander around and explore the world, but her family was entirely strict and simply abused her to keep her away from the discoveries of the world. They simply wanted her to stay here.

I wanted to try and make some abusive African-American parents, but I wonder if that will simply make me racist, so I wonder if she was abused by a white family to make her a slave, so I wonder which one should be more better.

CandyDoesStuff 10/13/2024 12:49 PM

the slave idea feels, way more racist i'm sorry- I'm only half-black so not sure how much I can speak on this but I feel abusive black parents should be fine as long as you make it clear they're not abusive *because* of their race.

{ ✨ 🖋️ } Squ!dd { 🖋️ ✨ } 10/13/2024 12:53 PM

yeah im pretty sure slaves werent around (or at the very least they were very very rare) in the 1980s them having abusive african american parents wouldnt be racist unless its put as ALL african american parents are abusive, with being diverse means there *will* be people who fall short in life like that

raralabelle1 10/13/2024 12:55 PM

I did think about African-American parents being worse than normal African-American parents.

Grimfae 10/13/2024 12:56 PM

raralabelle1 10/13/2024 12:57 PM

I'm not trying to be racist. I'm trying to make an entire lore story based on videos I saw.

{ ✨ } Squ!dd { ✨ } 10/13/2024 12:57 PM

raralabelle1 10/13/2024 12:57 PM

People of all races can be different.

Oh yeah. My secret was that I watched some Vyond/GoAnimate videos about Dora, Little Bill, and Caillou being rescued.

Canonically, families of Caillou, Dora, and Little Bill all are different and of course you know some TV shows.

Grimfae 10/13/2024 12:59 PM

That sounds kinda weird tbh.

do you really want to make an AU off of that? Especially since it sounds very easy to take the wrong way

This lore is entirely about the lives of Georgette, her ex boyfriend and his brother, Pizza Island, and the misfits. This was the time before Georgette married Harry and had kids, taking place in the 1970s.

{ ✨ } Squ!dd { ✨ } 10/13/2024 1:10 PM

Georgette was around her 20s, so this story isn't about her abuse, let me still explain the story.

She had an ex-boyfriend and his brother, as simply they're both Italians.

The brothers once worked on a ship with the crew until one day, a storm hit and knocked them onto the shore. Simply, Georgette found them, and gladly took them in to be cared of.

 **Grimfae** 10/13/2024 1:33 PM

 **raralabelle1** 10/13/2024 1:42 PM

White boy - Was abused so much by his parents, grandparents, older brother, and younger brother because he was not smart like his parents hoped and wished for. He was abused with blender, spikes, eating muddy cake, guns, forcing him to destroy his favorite place, e.t.c. His family was arrested, his parents were sentenced to death, his brother was sentenced to 15 years in prison, his grandparents were sentenced to life in prison, his younger brother was sentenced to Juvenile, adopted by strict parents that whipped him, and attended Juvenile detention school until he became 18 years old.

Hispanic-American girl- Her parents and grandparents abused her because she tried to explore the world, and they prohibited her from doing it. They simply abused her the similar way the white boy had gone through. They almost shot her with a gun, but the police arrested the family and they were given a death sentence.

African-American girl: Her parents, her older brother, and her older sister neglected her and abused her just because they wanted her to be perfect. Her siblings even snitched on her because she had an autistic condition. Her family was arrested. Her parents was sentenced to death, and her older siblings were given 15 years in prison.

The trio were all adopted by good Hispanic parents. (edited)

Neil 🍷🔥 10/13/2024 2:21 PM

The thing is removing her transness removes a vital part of her character

ThatsParadise do you see trans men who are able to get pregnant as "fully female"?

{ ✨💡 } Squ!dd { 💡 ✨ } 10/13/2024 2:21 PM

also! you still havent answered this!

please answer this!

THIS

@{ ✨ 🖋️ } Squ!dd { 🖋️ ✨ } girl cant she just adopt 6 kids

raralabelle1 10/13/2024 2:23 PM

Then the lore would've been like this:

Peppino once married a woman and had Peppino Jr. together, but the wife was killed, and he tried his best to raise Peppino Jr. by himself, but he eventually married Pizzelle, and tried to get pregnant, probably resulting adoption.

I don't know if that helps, but I'm more of Pizzelle being pregnant, because I like people starting families naturally.

{ ✨ 🖋️ } Squ!dd { 🖋️ ✨ } 10/13/2024 2:24 PM

t

tried?

wouldnt

they know

also you can start a family without getting pregnant did you know that

Grimfae 10/13/2024 2:24 PM

So you admit you don't want to do it because of your biases?

☆Mr.Scrunchy☆ 10/13/2024 2:24 PM

I mean like you don't have to do the pregnant stuff

luigigirl 10/13/2024 2:24 PM

That is true. some people start a family by adopting

@luigigirl That is true. some people start a family by adopting

Fully female means people, assigned female, don't have LGBTQ genders, and are truly women that can get pregnant!

raralabelle1 10/13/2024 2:34 PM

I've suffered so much from DeviantArt because of my likes in pregnancy and young people having children which is exactly how I got banned from an EENE ask group at one point. I'm trying to remember more drama, but I even remember thrives who stole me and my friends art and OCs at one point.
