STORY

The epic tale of broken dreams, passion and redemption is set against a nation in the throes of revolution.

Les Misérables is an epic and uplifting story about the survival of the human spirit. This true modern classic is based on Victor Hugo's novel and features one of the most memorable scores of all time.

In nineteenth century France, Jean Valjean is released from 19 years of unjust imprisonment but finds nothing in store for him except mistrust and mistreatment. He breaks his parole in hopes of starting a new life, initiating a lifelong struggle for redemption as he is relentlessly pursued by police inspector Javert, who refuses to believe that Valjean can change his ways. Finally, during the Paris student uprising of 1832, Javert must confront his ideals after Valjean spares his life and saves that of the student revolutionary who has captured the heart of Valjean's adopted daughter. His world view shattered, Javert commits suicide, and Valjean finally attains the peace that he has sought for so long.

WHAT TO EXPECT AT YOUR AUDITION

Ensure your **voice and body are warmed up** before your audition and bring **water** to drink.

All children will be auditioning on **12 September**. There will be set time blocks for boys and girls, if you did not put your child's name down for one of the time slots at the information session, please email lesmiserables27dcs@gmail.com, to organise this.

Singing Auditions

You will be required to **present two songs from Les Misérables** (potentially a third if requested).

Everyone will begin by briefly singing “***Do You Hear The People Sing?***”, during which Bronwyn, our Vocal Director, will join you by singing the harmony. This will show us how well you can hold a part on your own.

You will then ***perform a song from a character of your choosing***, accompanied by one of our extremely capable pianists. While singing in tune is essential, your ability to deliver the emotional nuances, energy, and story of the song is just as important. *In your audition prep, please work on acting the song, not just singing it.* If time permits, we may request to hear the second song from your character of choice.

A list of “**Character Songs for Auditions**” is provided in this audition pack. PDFs of the sheet music for each song are available at this [Google Drive link](#). These are not to be shared; they are for learning purposes only. Please carefully note the bar number references in the “Character Songs for Auditions” list and prepare the sections for which we have asked.

If you are auditioning for the ensemble (instead of a particular character), you are still required to prepare a character song.

Auditions are a fantastic opportunity for the panel to potentially workshop your performance. Please don’t be concerned if we ask you to pause and maybe try something again! Your ability to demonstrate taking direction is an important part of the audition process. Likewise, if you are not asked to perform your entire prepared piece, it may simply mean we have seen enough to make an assessment.

We may test your vocal range in the audition as well.

Character Songs for Auditions

*Everyone will sing the short snippet of ***Do You Hear The People Sing***.*

If the character you choose has two songs listed, at a minimum, **you will be required to perform the first song listed**. If time permits, we may request to hear the second song from that character.

CHARACTERS

Please note that the ages listed below serve only as a guide, however all ages will be considered for all roles to achieve the best overall fit for the cast. All ages are approximate playing ages. All roles are available, and casting is open. Roles other than those listed below will be allocated to ensemble once rehearsals begin.

Jean Valjean - Gender: male, Age: 35 to 49, Vocal range G#2 - B4

Sings to B, high lyrics baritone or tenor, with both strong low notes and a strong falsetto. A poor peasant who rises to affluence, he has great natural nobility and dignity. A powerful figure, with a character of operatic size and passion. The voice needs to have a pop/rock sound or a classical sound of extraordinary textual clarity.

Javert - Gender: male, Age: 35 to 49, Vocal range F2 - F#4

Baritone sings to G. Must have a natural gravitas with ability to be expressive and dynamic. Policeman who relentlessly hunts Valjean. An imposing character. The ultimate 'law and order' figure. Obsessed to the point of irrationality with rigid and merciless moral code.

The Bishop Of Digne - Gender: male, Vocal range A2 - E4

Must have a strong, rich lower register to a bottom A. Although capable of playing great age, the actor playing the bishop is cast in a variety of roles and needs to demonstrate flexibility to play a range of ages. A religious man who, despite Valjean's theft of his valuable possessions, sees past the convict and allows him to move on with his new life.

Fantine - Gender: female, Age: 20 to 30, Vocal range F3 - Eb5

Belts up to C, sings to E flat. Poor but beautiful and elegant factory girl, struggling to support her fatherless daughter. Later is a pauper, a prostitute, a consumptive and a ghost. Earthy and poignant. Although she is finally defeated by circumstances, she should appear to be strong and a survivor. She puts up a valiant fight against the horrors of her life.

Little Cosette - Gender: female, Vocal range A3 - C5

Young Cosette is Fantine's daughter and the Thénardiens' ward. She has been forced into child labor. She is underfed, beaten by Madame Thénardier, and bullied by Eponine.

Thenardier - Gender: male, Age: 35 to 49, Vocal range C2 - G4

Baritone sings to F sharp. Strong comic character role. A crooked innkeeper, later a petty, amoral thief. Greedy, irreligious, selfish, boorish, vulgar.

Madame Thenardier - Gender: female, Age: 30 to 49, Vocal range G#3 - D5

Belter. Tough, sharp, coarse, boorish, vulgar. Strong character comedienne role.

Young Eponine - Gender: female

Young Eponine is the pampered daughter of the Thénardiens. She does little except taunt Young Cosette.

Gavroche - Gender: male, Vocal range B3 - G5

Gavroche is Thénardier's son. He is left to fend for himself and lives by his wits in the streets of Paris. Gavroche is brave, witty, and arrogant, with a fantastic, unchanged voice.

Eponine - Gender: female, Age: 18 to 25, Vocal range F3 - E5

An enormous and beautiful belt voice, with a contemporary edge. Belts to C sharp, sings to E flat. Daughter of the Thénardiens but in no way behaves like them. Fired by an unrequited love for Marius. Gamine. Has not learnt to disguise her emotions; wears her heart on her sleeve.

Cosette - Gender: female, Age: 18 to 25, Vocal range Bb3 - C6

Soprano to high C but a light, young 'floating' sound, without heavy vibrato. Fantine's daughter (first seen as and played by a child) is delicate, elegant, vulnerable and beautiful. Falls in love with and later marries Marius.

Enjolras - Gender: male, Age: 20 to 29, Vocal range A2 - G4

High baritone/tenor to G sharp/ B flat. Very strong singer. Handsome, charismatic political figure, leader of the revolutionary movement.

Marius - Gender: male, Age: 18 to 25, Vocal range A2 - Ab4

High baritone sings to A with a strong bottom A. Member of the revolutionary student movement. Attractive and romantic but in a sensitive, 19th century 'Byronic' way.
