## **Cookies and similar data collection technologies**

We and our third party advertising networks and their partners may use cookies and similar technologies, such as mobile “SDK”, to provide and personalize our services and to provide targeted advertisements. Some of these technologies can synchronize behavior across different mobile apps, devices and websites so that advertisements can be tailored to your interests. This process is called personalized advertising. In addition, we and certain advertising networks may access your inventory of installed apps to avoid advertising already installed apps. If you'd like to opt-out from having advertisements personalized in this way on your mobile device, please see the ‘Opt-out of targeted advertising’ section below.

To serve personalized advertisements in our services using third-party advertising networks. Our legal basis is legitimate interests to run our business. However, if you are in the European Economic Area, Norway or Switzerland, some of our third-party advertising networks, will rely on your consent to process Personal Data in order to provide personalized advertising to you, therefore you will be asked whether you consent to the collection of your mobile device advertising identifier and IP address so that they can provide a personalized advertisement experience. To opt-out or withdraw your consent from receiving personalized advertisements, see the “Opt-out of targeted advertising” section below.

## **Changes**

This Privacy Policy may be updated from time to time for any reason. We will notify you of any changes to our Privacy Policy by posting the new Privacy Policy here. You are advised to consult this Privacy Policy regularly for any changes, as continued use is deemed approval of all changes.
