

Who Am I - Photo List

READ ALL INSTRUCTIONS AND HEADINGS CLOSELY. Include a *minimum* of **ten** pictures, *at least seven* must be pictures YOU have taken and at least **three** of those should be taken at school (some outside and some inside). You can choose how you'd like to distribute those numbers across the five categories, but there should be at least one picture on every slide. The first column should list a **detailed description** of the photo. Use your best guess for location and date. **Circle** the photos you plan to take outside at school. Place a **rectangle** around photos you'll take inside the school. At a minimum, include each of the five following composition strategies: **1. Rule of Thirds 2. Rule of Odds 3. Fill the Frame 4. Lines 5. Viewpoint**
