

Hello, my name is Zoe Georgiadis, and I am running for Vice-President for the freshman class. I am doing this because I want to be more involved in the school as well as our community. I am on the volleyball team at Croatan and hope to be on the soccer team too. I have been involved in student government before and I enjoy planning events. I am neat, organized, and can work well with others, which is a crucial trait for a vice-president. I am also a driven person and will work hard for good results. I care about everyone's opinions and will listen to your ideas. I will keep everyone informed of the events happening on and off of the school campus. Something I want to accomplish is getting people's concerns voiced. I believe that everyone should be able to have an opinion on things. Sometimes people don't get to say what they want because no one wants to listen to them, but I will. It is important for the students to be heard, and I can get you that.
