ABOUT ME

A management graduate with a good academic performance and interpersonal skills. Possesses skills in basic accounting journaling, creating simple financial reports, basic knowledge of taxation, and analyzing company data and performance for business expenditure efficiency. Aiming to enhance knowledge in corporate finance and professional financial management. Currently, I am primarily focused on running a business that I co-founded with my friends called PukulEnam. Since high school, I have been actively involved in various organizations as I believe that being part of an organization can help build numerous new skills, including leadership.
