

Abstract Title

Primary Author ¹, Author #2 ², Author #3³

¹ Author Affiliation

² Author Affiliation

³ Author Affiliation

Abstract content goes here. This can be formatted however you like. Abstracts should be text only. Please do not include imagery or graphs in your abstract, those can be included on your research poster. A sample format is below:

Background: Insert text

Method: Insert text

Results: Insert text

Conclusion: Insert text

Lay Language: *Include a couple sentences (suggested word count 80 – 150 words) that describes the impact of your research in a way that is accessible to individuals without a scientific background. Avoid using scientific jargon.*

Submission Notes:

- **Please save your file as a Microsoft Word document with the following naming convention: “Last Name_Abstract_Date.docx.” PDFs will not be accepted.**
- Make sure that all elements listed above are included in your submission – Title, Authors, Author Affiliations, Abstract Content, and Lay Language Summary.
- Please submit your abstract as a Microsoft Word document
- **Abstracts are due by Friday, March 8, 2024.**
- Upon submission of your abstract, you must also register for the Alzheimer Day event as an attendee. Registration opens on February 28, 2024. The registration link will be shared via email and also available on the [Alzheimer Day section of our website](#).
